

Boring marketing examples

Just a flyer

No call to action nothing compelling to make the customer call another pretty ad

This represents 99% of the boring .

The flyer features a green border and a logo at the top center consisting of the letters 'AJD' in a stylized font inside a green oval. Below the logo, the text reads 'Building Contractors, Inc.' in a serif font, followed by a green rounded rectangle containing the words 'Construct • Remodel • Restore' in white. The main services are listed in a large, decorative serif font: 'ROOM ADDITIONS', 'BATHS • KITCHENS'. Below this, a green call to action reads 'Call us for the expertise, then call your friends to brag!'. At the bottom, the phone number 'CBC 1258784' is displayed. The top and bottom edges of the flyer have blacked-out areas where contact information would typically be located.
